

COMPLAINT CASE NO. 3 OF 2020

25.09.2020

Registry has submitted a report vide office note dated 25.09.2020 that inadvertently a bonafide mistake has been made in entering the case no. of the present case. It is stated that the correct case no. would be Complaint Case No. 1 of 2020 instead of Complaint Case No.3 of 2020.

We have perused the report as well as the Case no. recorded for the present Complaint. It is also clear from the file that the present case would be Complaint Case No. 1 of 2020. Hence, Registry is allowed to correct the said bonafide mistake in recording the Case No. and the correct Case No. would be Case No. 1 of 2020.
